

SSPS 2019

<http://www.ssps.net/>

International Academic Conference 2019
International Symposium on Signal Processing Systems (SSPS 2019) is an important international gathering of scholars, educators and PhD students. It will take place in conference facilities located in Beijing, China during September 20-22, 2019.

IMPORTANT DATES

- Submission:
April 15, 2019
- Notification of acceptance:
May 5, 2019
- Registration:
May 20, 2019
- Conference Date:
September 20-22, 2019

CONTACT DETAILS

Conference secretariat
Gretchen Liu

Email: ssps@iact.net
Phone: +852-30623054;
+8618081079313
9:30am--12am, 2pm-5:30pm,
Monday to Friday

Publications

All submissions will be thoroughly peer-reviewed by experts based on originality, significance and clarity. All accepted and presented papers will be published in International Conference Proceedings Series by ACM, which are expected to be indexed by Ei Compendex and Scopus and submitted to be reviewed by Thomson Reuters Conference Proceedings Citation Index (ISI Web of Science).

Submission Methods

EasyChair Submission System:

<http://www.easychair.org/conferences/?conf=ssps2019>

Submission Format:

<http://www.ssps.net/template.docx>

1. Each paper should be no less than full 4 pages and has the maximum length of 5 pages normally, and additional pages will be charged.
2. The full paper submission is required for publication.
3. Abstract is only for oral presentation.

Topics of interest for submission include, but are not limited to:

Adaptive Filtering & Signal Processing
Ad-Hoc and Sensor Networks
Analog and Mixed Signal Processing
Array Signal Processing
Audio and Electroacoustics
Multimedia Signal Processing
Natural Language Processing
Next Generation Mobile Communications
Nonlinear Signal Processing
Optical Communications
SP for Sensor Networks
Spectrum Estimation & Modeling
Speech and Audio Coding
Speech Processing
Speech Synthesis & Recognition
Rapid Prototyping and Tools for DSP Design
RF and Wireless Communications
